

April 29, 2010

Dear VGA Presidents, Officers, Members and Guests,

It is an honor to officially invite and welcome all the Vietnamese-American golfers to the 2010 National VGA Championship Tournament.

This year has been forecasted as the year of the Ladies. There is expected to be the highest attendance of women since the National VGA tournament has been active. Tram Nguyen from Portland will be heading the womens' program this year for the National Tournament and we all are thrilled to have her on board.

Last year everyone was shocked when 12 year old Kristin Le took the B Flight championship with scores of 78 & 82. Raymond Ho 3-peated as the National A Flight Champion. The AGA – Asian Golf Association of Southern California also took home its 3rd National Team Championship as well.

As new VGA organizations and clubs are being formed, we want to welcome the OVGA – Oregon, NEVGA – New England, and Chicago VGA.

We also look forward to seeing the brothers and sisters from Canada. Alberta VGA, Toronto VGA and word has it on the street that Vancouver VGA will be in attendance as well.

This year there will be some changes in the scoring format and verification of tee boxes for flights and handicaps. We will have 4 flights including a “Masters” flight for those 40 years and older.

We will be holding the annual VGA Presidents and Officers meeting on Friday, August 13th @ 7pm. This is a mandatory meeting and is **ONLY OPEN** to the Presidents and Vice-Presidents of each VGA chapter. No spouses or significant others are invited as this will be a formal business meeting to discuss the future of the VGA moving forward.

As the tournament draws closer, we are excited to meet the new members and be reacquainted with old ones in August. Please visit the National VGA website as a resource for the latest VGA news and insight.

See you in Vegas!
