

Dear VGA Presidents, Officers, Members and Guests,

The National VGA Championship Tournament is just days away and we all are excited to get it started.

To kick off the fun-filled weekend we would like to cordially invite you to the National VGA “Meet-n-Greet”. It will be hosted at the [Rainman Suite](#) in Caesar's Palace on Friday Aug. 13th from 9:00pm to 12:00am. There you will have an opportunity to catch up with old friends, meet new ones, and size up your competition!

A brief mandatory Presidents' meeting will be conducted at 9:00pm where the following items will be discussed:

- National location for next year's tournament
- Qualifications for the National VGA Tournament
- Scoring, rules and regulations for this year and why
- Recognizing the youth program and women's program

A light arrangement of antipasto, cheese/crackers, fruit platter, deserts, etc. will be served along with a limited assortment of adult beverages. We welcome those who wish to bring a bottle of something to share.

During the gathering we will have several fun items to raffle off and a professional photographer in attendance to capture the priceless moments!

Please join us in what will be a night of endless laughter and good times shared by all.

Sincerely,

The National VGA Tournament Committee

Hien Vo
President
National VGA
